

A CASE4 CHANGE

A Case for Change – get on board for 2018!

YOUR GENEROSITY IS REFLECTED IN THEIR SMILES!

From humble beginnings back in 2008 with the distribution of 80 school backpacks to two classrooms, a Case for Change continues to bring the gift of education to thousands of rural Cambodian children. Filled with stationery and school books, the backpacks provide essential educational supplies for children eager to learn. So far, we've provided over 11000 backpacks to dozens of underprivileged primary schools.

The distribution of **A Case for Change** backpacks takes place each July. We have just completed delivery of the 2017 backpacks and school supplies, with 600 primary school children gratefully receiving the backpacks that were generously donated by individuals, schools and businesses.

Join A Case for Change

For every \$15 donated we are able to purchase a school backpack, fill it with school supplies and place your school or business logo on the front in recognition of your support of our important program.

At Awareness Cambodia we are passionate about education and the life-changing opportunities that learning affords to children everywhere. We believe education is a powerful and basic human right that enables children to break the cycle of poverty and inequity which can lead to trafficking, gender-based violence and other human rights abuses.

We invite your school, church or business to join us by becoming a part of **A Case for Change**. When you fundraise for **A Case for Change** you are helping schoolkids in Cambodia's poorest rural province, Kompong Speu, get the education they deserve. Each school backpack that you provide is helping to re-write Cambodia's future!

It's simple for your school, church or business to get involved in 2018: Just email Kim (kim@awarecam.org.au) and we will get an information pack to you.

Then for each \$15 you donate, we will purchase a backpack, put your logo on it, fill it with school supplies and deliver the backpack to a school next July. It's that easy. **Your gift will empower children to realise their dreams!**

How to donate to Awareness Cambodia

Your gift – our future

Awareness Cambodia provides a holistic range of services to help vulnerable Cambodian children and their local communities in impoverished areas. Rescue, education and medical services are at the heart of what we do. We are a not-for-profit humanitarian aid organisation that is able to operate life-enhancing programs due to the generosity of our supporters.
